Acura Leadership Purchase Plan.®

The Flexible Way to Finance Your Acura.

BEFORE YOU FINANCE YOUR ACURA, EXPLORE YOUR OPTIONS

When it comes to choosing your Acura, you have plenty of great options. Now, discover a unique financing plan that offers a number of advantages over traditional financing, including convenient options you'll appreciate. With the Acura Leadership Purchase Plan (LPP)*, you'll enjoy more choices, and more flexibility, to fit your needs.

YOUR NAME ON THE TITLE

With the Acura LPP your name appears on the title of your Acura — just as if you bought the vehicle outright. Which means your Acura is also an asset and an advantage for future financial transactions you may make.

GUARANTEED PURCHASE PRICE

When the Acura LPP term ends, you'll have the option to own your Acura by paying the guaranteed lump-sum purchase price. If your vehicle is worth more than the lump-sum end-of-term payment, you can purchase it to keep or resell. If your vehicle is worth less, you can turn it in and sign a new contract. Either way, you'll have the flexibility to make the best financial choice for you.

FLEXIBLE TERMS

The Acura LPP comes with flexible financing terms, ranging from 24 to 48 months. Choose the term that best fits your needs and financial situation.

FEWER FEES, GREATER ENJOYMENT

The Acura LPP includes a \$1,500 Excessive Wear and Use Waiver that should cover most wear-and-use costs. And you won't have to worry about purchase-option or disposition fees, giving you even more opportunities to save costs.

MILEAGE OPTIONS

The Acura LPP gives you the opportunity to select the mileage option that fits your driving style. You can choose a plan that allows you to drive 12,000 or 15,000 miles per year with the option of purchasing additional mileage when you sign your contract.

PEACE OF MIND

The ideal complement to the Acura LPP is an Acura Care® Vehicle Service Contract (VSC), a comprehensive suite of services that can save you significant costs associated with repairs. These services include roadside assistance, emergency services, comprehensive component coverage, rental-car reimbursement, trip-interruption benefits and personalized travel plans. Plus, you'll have added peace of mind knowing that covered repairs are made by factory-trained Acura technicians at authorized Acura dealerships using Acura Genuine Parts.

COVERING THE GAP

You can purchase affordable Acura Care Guaranteed Asset Protection (GAP)[†] coverage, which can potentially save you thousands of dollars in unexpected costs. In the event your vehicle is stolen or deemed a total loss, Acura Care GAP covers the difference between the remaining amount on your LPP contract and the amount your vehicle insurance pays.
