Acura Luxury Lease™

CHOOSE YOUR ACURA, AND ENJOY YOUR OPTIONS

When it comes to choosing your Acura, you have plenty of great options. Now, discover a leasing plan that offers convenient options as well. With Acura Luxury Lease, you'll enjoy more choices, and more flexibility, to fit your needs. Explore the options that come with Acura Luxury Lease. Then explore the world in your new Acura.

THE CHOICE IS YOURS

At lease-end, you can extend your current lease, purchase your current Acura at the guaranteed price, or lease or purchase a new Acura—you'll have the flexibility to make the best choice for you.

GUARANTEED PURCHASE PRICE

With Acura Luxury Lease, you'll know in advance what your Acura will cost to purchase at lease-end. So even if the vehicle holds a higher value when the lease term ends, you can still purchase it at the guaranteed amount to either keep or resell. If, at the end of the lease, the vehicle is worth less than the guaranteed price, you can turn it in and lease a new Acura.

AUTOMATIC COVERAGE

More options come with more peace of mind. Acura Luxury Lease automatically includes Guaranteed Asset Protection (GAP) coverage, potentially saving you thousands of dollars in unexpected costs. In the event your vehicle is stolen or deemed a total loss, GAP covers the difference between the remaining amount on the lease and the amount your vehicle insurance pays.

FLEXIBLE LEASE TERMS

Acura Luxury Lease comes with flexible lease terms, ranging from 24 to 60 months. Choose the lease term that best fits your needs and financial situation. You can even choose the Acura One-Pay Lease which eliminates monthly payments by allowing you to make one payment, one time.

EXCESSIVE WEAR AND USE WAIVER

Acura Luxury Lease includes a \$1,500 Excessive Wear and Use Waiver that should cover most wear-and-use costs. And you won't have to worry about purchase-option or disposition fees that come with most leasing options, giving you the opportunity to save even more.

MILEAGE OPTIONS

Acura Luxury Lease allows you the opportunity to select the mileage option that fits your driving style. You have choices. You can choose a plan that allows you to drive 10,000, 12,000 or 15,000 miles per year with the option of purchasing additional miles when you sign your lease.

PEACE OF MIND

The ideal complement to Acura Luxury Lease is an Acura Care[®] Vehicle Service Contract (VSC), a comprehensive suite of services that can save you significant costs associated with repairs. These services include roadside assistance, emergency services, comprehensive component coverage, rental-car reimbursement, trip-interruption benefits, and personalized travel plans. Plus, you'll have the added peace of mind knowing that all covered repairs are made by factory-trained Acura technicians at authorized Acura dealerships using Acura Genuine Parts.
