# 10 REASONS TO CHOOSE The Acura Luxury Lease

01

## DRIVE A NEW Acura MORE OFTEN

Leasing gives you the flexibility to upgrade more often, meaning you can stay at the cutting edge of automotive technology, style and performance.

02

## LOW UP-FRONT AND MONTHLY PAYMENTS<sup>[1]</sup>

That's right, with leasing, you may have lower up-front costs and monthly payments. So you get to drive a sleek, new Acura and still afford to show it off during a night out on the town.

03

## CHOICE OF FLEXIBLE LEASE TERMS

With term choices from 24–60 months, you can control how much you pay monthly and how long your lease will run. Check out our mileage calculator app at [theluxecode.acura.com](http://theluxecode.acura.com) to figure out which term fits you best.

04

## MILEAGE FLEXIBILITY THANKS TO Acura LOYALTY ADVANTAGE PROGRAM<sup>[2]</sup>

The Acura Loyalty Advantage program allows you to live your life with choices. If you are over or under your miles, Mileage Forgiveness<sup>®</sup> and Momentum Miles<sup>®</sup> provide the end-of-lease flexibility you need.

05

## FACTORY WARRANTY WHEN LEASING A NEW Acura

With the incredible warranties offered by Acura, paired with Acura's renowned reliability, you can drive with peace of mind. New Acura vehicles include a factory-limited warranty for the first four years/50,000 miles.

06

## ACCIDENT AND THEFT GUARANTEED ASSET PROTECTION (GAP) INSURANCE COVERAGE IS INCLUDED

Guaranteed Asset Protection (GAP) insurance is just one more level of security for your lease. GAP often pays the difference between what you owe on the vehicle and what your vehicle insurance covers if your Acura is stolen or deemed a total loss.

07

## \$750 EXCESSIVE WEAR AND USE OR DAMAGE WAIVER INCLUDED

Acura Luxury Lease<sup>™</sup> includes a \$750 excessive wear and use or damage waiver. Plus, loyal clients may qualify for an additional waiver and may be eligible to get their turn-in fee waived.<sup>[3]</sup>

08

## INSURANCE REQUIREMENTS ARE THE SAME AS STATE MINIMUMS

This may help lower your insurance payments and make leasing more affordable.

09

## END-OF-LEASE OPTIONS

When your lease is up, you may purchase your vehicle at the guaranteed purchase price or slip behind the wheel of a brand-new Acura vehicle with a new lease.

10

## END-OF-LEASE PURCHASE-PRICE GUARANTEE

No last-minute purchase-price surprises! If you make the choice to buy your Acura, the price you were quoted at the beginning of your lease is the price you will pay at the end of your lease.

[1] The terms of your lease will depend upon your creditworthiness. Lessees with lower credit scores may be required to make larger down payments and/or may have higher monthly payments.

[2] Acura Loyalty Advantage (ALA) eligibility is subject to verification and credit approval by Acura Financial Services (AFS). To obtain ALA benefits, clients must lease a new vehicle from AFS and undergo standard AFS verification and meet credit-approval requirements. ALA benefits are only available within 180 days of the scheduled maturity date and 180 days after lease termination. AFS may terminate ALA benefits at any time, without notice. If you are over mileage, up to half of the excess miles are eligible for waiver (up to 7,500 miles) if you finance a lease or retail purchase of a new Acura from a participating Acura dealer through

AFS. If you are under mileage, up to 15,000 miles can be rolled over to your next leased Acura financed by AFS if the new Acura is leased from a participating Acura dealer.

[3] Total amount waived not to exceed \$1,500. A loyal client is one who purchases or leases another new Acura or Honda vehicle within 30 days prior to or after their turn-in date. Refer to your lease contract for more information.
